OBJECTIVE

As a final-year B.Tech student majoring in CSE - Networking and Cybersecurity with a strong passion for cybersecurity, I am eager to embark on a professional journey in the dynamic and evolving field of cybersecurity. Armed with a solid foundation in Cloud computing, Ethical Hacking.

EDUCATION

| | |
|---|-------------|
| Bachelor of Technology , Vel Tech University | 2020 - 2024 |
| CSE - Networking and Cybersecurity. | CGPA - 7.8 |

| | |
|--|-------------|
| Board of Intermediate Education , Narayana Junior College | 2018 - 2020 |
| Maths, Physics, Chemistry. | CGPA - 6.3 |

| | |
|--|-------------|
| Higher Secondary Education , LRG VIDYALAYAM | 2017 - 2018 |
| Hello | CGPA - 8.3 |

PROJECTS

Implementing Visual Cryptography to Eliminate Phishing attacks on Online voting System.

Created a robust online voting platform fortified against phishing attacks through innovative visual cryptography techniques. Integrated multi-layered security protocols to authenticate users and uphold the integrity of the voting process. Crafted an intuitive interface prioritizing accessibility without compromising stringent security measure

Object detection using YOLO. Built an object detection system that makes use of the well-known and accurate YOLO (You Only Look Once) algorithm. used YOLO's real-time object detection features to quickly locate and identify objects in photos or video streams. adjusted the model to attain excellent recall and precision rates for a range of object classes.

CERTIFICATIONS

| | |
|---|---------------------|
| Cybersecurity Virtual Internship | Mar 2022 - May 2022 |
| Palo Alto | |

- Took part in a virtual internship program in cybersecurity and obtained hands-on training in threat detection and vulnerability assessment

| | |
|---|---------------------|
| CCNAv7: Introduction to Networks | May 2022 - Aug 2022 |
| Cisco | |

- It is a foundational course offering knowledge in networking concepts and technologies. Through hands-on labs and simulations.

SKILLS

| | |
|-------------------------|--|
| Technical Skills | Ethical Hacking, Pentesting, Python, GCP, AWS, CMS. |
| Soft Skills | Problem Solving, Time Management, Continuous Learning, Teamwork & Collaboration, |

EXTRA-CURRICULAR ACTIVITIES

- | | | |
|------------------------------------|------------------------------|---------------------|
| • Financial Literacy. | • Fitness and Wellness. | • Entrepreneurship. |
| • Travel and Cultural Exploration. | • Technology and Innovation. | • Creative Arts. |
